

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Jointly Developed

Parents, students, and staff worked together and shared ideas to develop the school-parent compact. Meetings are held throughout the year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback on the compact at any time during the school year. Please call 706-857-2444 for more information of the school compact.

Building Partnerships

Parents are always welcome at Summerville Middle School. We encourage parents to visit the school, volunteer, meet with teachers, or attend any school activities that are going on at SMS.
