

What is a School-Parent Compact?

A School-Parent Compact is an agreement of all members of a school community to be committed to the educational process of all student learners. It describes the shared focus of student success and the responsibility of each party while establishing a connection between school, community, and home.

Jointly Developed

*The School-Parent Compact is jointly developed by the parents, students, staff, and community members of Chattooga High School. Teachers work with students and parents to ensure effective learning strategies take place in the classroom and at home. Community members provide support and feedback as to how the attainment of employability skills can enhance the overall local workforce. Meetings are held each year to review, edit and improve the compact. **You may call at any time: (706) 857-2402***

Our Goals for Student Achievement

District goal(s)

Establish internationally competitive standards for student performance and an accountability system and policy framework designed to ensure that all students are challenged to meet more rigorous standards.

Ensure that all students and staff have a safe and secure environment for teaching and learning.

Increase parental and community involvement through public engagement policies and practices that treat parents, businesses, and community-based entities as true partners in the educational process.

School goal(s) and focus areas(s)

To provide a supportive learning environment that maximizes instruction.

To provide a safe and orderly environment that maximizes instruction.

To maximize the personal growth and development of all students so they can achieve academic success.

Teachers, Parents, and Students—Together for Success

Teacher/School Responsibilities:

As a school we will protect class time, encourage good attendance, and develop engaging activities. We will provide rewards as incentives for students who work to improve their achievement. We will provide, update, and educate faculty/staff and students on safety and discipline expectations. We will provide individual support, counseling and academic advisement.

Family Responsibilities

Families will ensure that their student has good attendance, appropriate behavior and is engaged in all classes. They will monitor their student's progress through the Infinite Campus Parent Portal, and they will communicate with teachers through Remind, email, or parent conferences to help their student succeed.

Student Responsibilities

As a student I will attend school on a regular basis and come prepared to learn. I will be responsible for my learning. I will complete all assignments and study for my tests. I will study at least 15 minutes each night for each academic subject. I will give my parents/guardians all information that is sent home. I will be responsible for my actions knowing that I can and will learn. I will treat other students and teachers with respect.
