What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards

Jointly Developed

The parents, students and staff of Menlo Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time @ 706/862/2323

Teacher/School

Responsibilities:

Menlo Elementary School students will have a Lexile increase of at least 100L and have adequate growth on the MAP assessment. (60% or greater of students will meet or exceed MAP RIT Growth project in Reading and Math.)

- *Teach classes through interesting and challenging lessons that promote student achievement.*
- *Have high expectations and help every child to develop a love of learning.*
- *Communicate regularly with families about student progress.*
- *Help each student achieve the school's high academic standards and goal-setting.*

Family Responsibilities

- *Establish a daily routine for homework, studying, and extracurricular activities.*
- *Encourage reading in all forms.*
- *Check assignments for completion and understanding.*
- *Encourage children to seek extra assistance.*
- *Promote discussion about the school day.*
- *Work with your child's teacher on a regular basis to improve your child's learning and review MAP growth data.*
- *Participate in school activities such as school decision making, volunteering, and/or attending Familyparent-teacher conferences.*
- *Communicate through REMIND with teachers regarding student progress, and utilize Parent Portal to stay updated on student academic progress and attendance.*
- *Set attendance goals with your child and make attendance a priority!*
