September 18, 2020

Dear Chattooga County Families,

We want to thank everyone for their communication to help fight the spread of Covid-19. We want to encourage you to continue to communicate with your home school if someone in your household has tested positive for Covid-19, awaiting test results, or having symptoms associated with Covid-19. With flu season approaching fast, we need your help to combat that as well. If your student test positive for the flu, please keep that student at home until they are symptom free without medication. If your student has a fever, the student must be fever free for 24 hours without medication before they can return to school. We must continue to work together. Please feel free to call me with any questions or concerns.

Sincerely,

Jeff Martin
Assistant Superintendent
Federal Programs Director
