December 11, 2020

Dear Chattooga families,

Due to a rise in COVID cases within the Northwest Georgia region and after speaking with Dr. Gary Voccio, Director of the Northwest Georgia Department of Public Health, Chattooga County Schools will operate on a distance learning schedule December 14, 15, and 16, 2020. PreK and Kindergarten students will complete instructional assignments provided by their teachers and bring those back when school resumes in January. All 1st-12th grade students will complete assignments provided by their teachers in Google Classroom. Please refer to your Distance Learning guidelines for instructions. While our school system has been fortunate throughout this first semester with low positive cases, the safety of everyone during this time when cases are on the rise in our area requires us to act with caution. Employees will report as scheduled and practice CDC guidelines. We understand this is an unexpected inconvenience and thank you for understanding as we keep everyone safe.

Please enjoy your holiday season and we will see everyone in January.

Jared Hosmer
