

What is a School-Parent Compact?

A School-Parent Compact for

Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards

Jointly Developed

The parents, students and staff of Leroy Massey Elementary School developed this School/Parent Compact for Student Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.
