

## Welcome to Summer Reading 2020

### Imagine Your Story

This year we will have on line registration. Registration begins on June 1 and Summer Reading will continue until July 18. Once you register if you are between the ages of 0 and 12 you may come to the library and pick up a registration bag. Then read, read, read, and do some activities along the way. We will also have some on line programming throughout the month of June so keep a look out for that on our Facebook page (Chattooga County Library). This year we are also offering 2 Story Times each week. Tuesday's at 10:30 each week will be for ages 7 and up and Thursday's at 10:30 will be for ages 0 – 6 years old. The stories will be just a little different for the two age groups but everyone is welcome to watch. They will be on our Facebook page and can be watched as many times as you like.
